25X1A

e. DDS Security Violations. There were two violations in April in contrast with nine in April of last year. OTR did not have any.

f. Senator Eugene McCarthy's Resolution. (ACTION: ALL) This Resolution to add members of the Foreign Relations Committee to Senator Russell's Subcommittee is entirely a Congressional matter. DCI takes the stand that it is "highly impertinent" for the DCI or the Agency to express any position. Bear this in mind during our conversations.

25X1A

h. Broader Dependents' Compensation and Disability Retirement. Dr. Tietjen reported on the Board of Employee Compensation review of the case of a Middle East COS' widow. The Board decided that the COS died as the result of inadequate medical facilities in the country and her compensation was raised from \$200 to \$500 a month. It is becoming easier to get disability retirement.

i. Mailing Paychecks to Banks. Bob Fuchs unhappily reported that most people desire to get their checks in the office.
